

Fill in the gaps

I don't know, what (1) wrong	I will be here
If I did, would it matter cause	I will be here
It just wasn't enough	I (7) be here
You know when the moment comes	I will be here
To be strong, to resistance	I will be here, I will be here
And that is what	(Oh oh oh oh)
We're lead to believe	When the big road falls apart
When the big road falls apart	And you think that the feeling will linger
And you think that the (2) will linger	You need somewhere to start
You need somewhere to start	I will be here
I will be here, I (3) be here	And when it all seems to fall apart
You don't mind if life's not that pretty	You can't breathe
It will soon (4) and will be miles away	You don't know what you're thinking
Away from here	You need somewhere to start
When the big road falls apart	I will be here, I (8) be here
And you think that the feeling will linger	When the big (9) falls apart
You need somewhere to start	And you think that the (10) will linger
I will be here	You need somewhere to start
And when it all seems to fall apart	I will be here, I will be here
You can't breathe	
You don't (5) (6) you're thinking	
You need somewhere to start
