

## Fill in the gaps

I don't know, what went wrong		I will be here
If I did, would it (1) ca	iuse	I will be here
It just wasn't enough		I will be here
You know (2) the moment comes		I will be here
To be strong, to resistance		I will be here, I will be here
And that is what		(Oh oh oh oh)
We're lead to believe		When the big road (7) apart
When the big road (3) apart		And you think that the feeling will linger
And you think that the feeling will linger		You need somewhere to start
You need somewhere to start		I will be here
I will be here, I will be here		And when it all seems to fall apart
You don't mind if life's not that pretty		You can't breathe
It will soon disappear and will be miles away		You don't know what you're thinking
Away from here		You need somewhere to start
When the big road falls apart		I will be here, I will be here
And you (4) (5)	the feeling will linger	When the big road falls apart
You need somewhere to start		And you think that the feeling will linger
I will be here		You (8) somewhere to start
And when it all seems to fall apart		I (9) be here, I will be here
You can't breathe		
You don't know what you're thinking		
Vou need (6)	to start
