If I Had Eyes (Accoustic) by Jack Johnson

If I had eyes in the back of my head	We were victims together but lonely
I would have told you that you looked good	You got hungry eyes that just can't look forward
As I (1) away	Can't give them enough but we just can't start over
If you could've tried to trust the (2) that fed	Building with (7) nails we're falling but holding
You would've never been hungry	I don't wanna take up anymore of your time
But you never really be	Time, time, time
The more of this or (3) of this or is (4)	Sometimes time doesn't heal
any difference	No not all
Or are we just holding	Just stand still
Onto the things we don't have anymore	While we fall
Sometimes time doesn't heal	In or out of love again I (8) I'm gonna win you
No not at all	back
Just stand still	When you got eyes like that
While we fall	It won't let me in
In or out of love again I doubt I'm (5) win you	Always looking out
back	Always looking out
When you got eyes like that	Always looking out
It won't let me in	
Always looking out
