

Fill in the gaps

If I Had Eyes (Accoustic) by Jack Johnson

If I had (1) in the (2) of my head	We were (18) together but lonely
I (3) told you that you	You got hungry eyes that just can't look forward
(5) good	Can't give them enough but we (19) can't
As I walked away	(20) over
If you could've tried to trust the hand (6) fed	Building with bent (21) we're
You would've never (7) hungry	(22) but holding
But you never really be	I don't wanna take up anymore of your time
The more of this or less of this or is (8) any	Time, time, time
difference	Sometimes time doesn't heal
Or are we (9) holding	No not all
Onto the (10) we don't (11)	Just stand still
anymore	While we fall
Sometimes time doesn't heal	In or out of love again I (23) I'm gonna win yo
No not at all	back
Just stand still	When you got eyes like that
While we fall	It won't let me in
In or out of (12) (13) I doubt I'm	Always looking out
gonna win you back	Always (24) out
When you got (14) (15) that	Always (25) out
It won't let me in	
Always looking out	
Lot of people (16) their (17) just	
floating
