

Fill in the gaps

Written In The Stars by Tinie Tempah & Eric Turner

(On)	•••
Written in the stars	(Yeah), I needed a change
A million (1) away	When we ate we (13) (14)
A message to the main (oh)	(15) we (16) a change
Seasons come and go	I needed a break
But I will never change	For a sec I even gave up (17) and
And (2) on my way	praying
Let's (3) yeah!	I even done the (18) stuff and was leaded astray
You're listening now	Now money is the root to the evilist ways
They say they (4) heard nothing	But have you ever been so (19) that it keeps
(5) this in a while	you awake
That's why they play my song on so many different dials	Mate, now my hunger would leave them amazed
Cause I got more hits than a disciplined child	Great, it feels like a long time coming, fam
When they see me everybody (brrrrrap's, brrrrrraps)	Since the day I (20) of that cunning plan
Man I'm like a (6) gun fully black Barrack	One day I had a dream I tried to chase it
I cried tear drops over the massive attack	But I wasn't going nowhere, running man!
I (7) make hits like I work with a racket and bat	I knew that (21) someday I would understand
Look at my jacket and hat	Trying to turn a (22) to a hundred grand
So damn berserk	Everyones a kid that no-one (23) about
So down to earth	You just have to keep (24) until they
I'm bringing gravity back	hear you out
Adopted by the major I want my family back	(Oh)
People work (8) just to get all (9)	Written in the stars
salary taxed	A (25) miles away
Look I'm just a writer from the ghetto	A message to the main
Like (10) black man!	(Oh)
Where the hells all the sanity at, damn!	Seasons (26) and go
I used to be the kid that no one cared about	But I (27) (28) change
That's why you have to keep screaming	And I'm on my way
Til they (11) you out	
(Oh)	(Oh)
Written in the stars	Written in the stars
A (12) miles away	A million miles away
A message to the main	A message to the main
(Oh)	(Oh)
Seasons come and go	Seasons (29) and go
But I will never change	But I will never change
And I'm on my way	And I'm on my way
