## Written In The Stars by Tinie Tempah & Eric Turner

(Oh)	
Written in the stars	(Yeah), I needed a change
A million miles away	When we ate we never took because we (5) a
A message to the main (oh)	change
Seasons (1) and go	I needed a break
But I will never change	For a sec I even gave up believing and praying
And I'm on my way	I even done the legal stuff and was leaded astray
Let's go yeah!	Now money is the root to the (6) ways
You're listening now	But have you ever been so hungry (7) it
They say they ain't heard nothing like this in a while	(8) you awake
That's why they play my song on so many different dials	Mate, now my hunger would leave them amazed
Cause I got more hits than a disciplined child	Great, it feels like a long time coming, fam
When they see me everybody (brrrrrap's, brrrrrraps)	Since the day I thought of that cunning plan
Man I'm like a (2) gun fully black Barrack	One day I had a dream I tried to chase it
I cried tear drops over the massive attack	But I wasn't going nowhere, running man!
I only make hits like I work with a racket and bat	I knew that maybe someday I would understand
Look at my jacket and hat	Trying to turn a tenner to a hundred grand
So damn berserk	Everyones a kid that no-one cares about
So down to earth	You just have to keep screaming until they hear you out
I'm bringing gravity back	(Oh)
Adopted by the major I want my family back	Written in the stars
People work hard just to get all their salary taxed	A million miles away
Look I'm just a writer from the ghetto	A message to the main
Like Malory black man!	(Oh)
Where the hells all the (3) at, damn!	Seasons come and go
I used to be the kid that no one cared about	But I will never change
That's why you have to keep screaming	And I'm on my way
Til they hear you out	•••
(Oh)	(Oh)
Written in the stars	Written in the stars
A million miles away	A million miles away
A (4) to the main	A message to the main
(Oh)	(Oh)
Seasons come and go	Seasons come and go
But I will never change	But I will (9) change
And I'm on my way	And I'm on my way

- 1. come
- 2. young
- 3. sanity
- 4. message
- 5. needed
- 6. evilist
- 7. that
