

Fill in the gaps

No One Else Comes Close by Backstreet Boys

When we turn out the lights	And I always will, cuz in my eyes (oh baby)
The two of us (1) together	No one else comes (16) to you
Something's just not right	No one makes me feel the way you do
But girl you know that I would never	You're so (17) girl to me
Ever let another's touch, (2) (3)	And you'll always be eternally
the two of us	Every (18) I hold you near
Cuz no one (4) (5) ever take your place	You always say the words I love to hear
No one else (6) close to you	Girl with (19) a (20) you can do so
No one makes me feel the way you do	much
You're so special girl to me	No one (21) comes close to you
And you'll always be eternally	No one makes me feel the way you do
Every time I (7) you near	You're so special girl to me
You (8) say the words I love to hear	And you'll always be eternally (baby)
Girl (9) (10) a (11) you	Every (22) I hold you near
can do so much	You always say the words I (23) to hear
No one else (12) close	Girl with (24) a (25) you can do so
No one else comes close	much
No one else comes close	No one else (26) close
And when I (13) up to	No one else (27) close
The touch of (14) head on my shoulder	No
You're my dream come true (oh yeah)	No one else comes close
Girl you know I'll always treasure	
Every kiss and (15) I'll love you girl in	
every way
