

## Fill in the gaps

Listen, to the song (1) in my heart	All (14) you won't
A melody I've start	Listen
But can't complete	Listen, I am (15) at a crossroads
Listen, to the sound from deep within	I'm not at home, in my own home
It's only beginning	And I tried and tried
To (2) release	To say whats on my mind
Oh the (3) has come	You should (16) known
For my dreams to be heard	Oh now I'm done believing you
They (4) not be (5) aside and	You don't (17) what I'm feeling
turned	I'm more (18) what, you (19) of me
Into your own	I (20) the voice
All cause you won't	You gave to me
Listen	But now I (21) find, my own
Listen, I am alone at a crossroads	I don't (22) where I belong
I'm not at home, in my own home	But I'll be moving on
And I tried and tried	If you don't
To say whats on my mind	If you won't
You (6) have known	Listen!
Oh now I'm done believing you	To the song (23) in my heart
You don't know (7) I'm feeling	A melody I've start
I'm more than what, you made of me	But I (24) complete!
I followed the voice	Oh now I'm (25) believing you
You gave to me	You don't know what I'm feeling
But now I gotta find, my own	I'm more than what, you (26) of me
You should have listened	I (27) the voice, you (28)
There is (8) (9) inside	you gave to me
Someone I'd (10) had died	But now I gotta find, my own
So long ago	My own
Oh I'm free now and my dreams to be heard	
They (11) not be (12)	
(13) or worse	
Into your own
