Top Of The World by Carpenters

Fill in the gaps

Your love's put me at the top of the world

	In the leaves on the (4) and the (5)
Such a feelin's comin' over me	of the breeze
There is wonder in most everything I see	There's a pleasin' sense of happiness for me
Not a cloud in the sky	There is (6) one (7) on my mind
Got the sun in my eyes	When (8) day is through I (9)
And I won't be surprised if it's a dream	(10) I will find
Everything I want the world to be	That tomorrow will be (11) the same for you and
Is now coming true especially for me	me
And the (1) is clear	All I (12) if you
It's because you are here	are here
You're the nearest thing to heaven that I've seen	I'm on the top of the (15) lookin' down on
I'm on the top of the world lookin' down on creation	creation
And the only explanation I can find	And the (16) explanation I can find
Is the love that I've (2) ever since you've been	Is the love (17) I've found (18) since
around	you've been around
Your love's put me at the top of the world	Your love's put me at the top of the world
Something in the wind has (3) my name	I'm on the top of the (19) lookin' down on
And it's tellin' me that things are not the same	creation
	And the only (20) I can find
	Is the love (21) I've found ever (22)
	you've (23) around
