•••
Such a feelin's comin' over me
There is wonder in most everything I see
Not a cloud in the sky
Got the sun in my eyes
And I won't be (1) if it's a dream
Everything I want the world to be
Is now coming true especially for me
And the reason is clear
It's because you are here
You're the nearest thing to heaven that I've seen
I'm on the top of the world lookin' down on creation
And the (2) (3) I car
find
Is the love (4) I've (5) ever since
you've been around
Your love's put me at the top of the world
Something in the wind has (6) my name
And it's tellin' me that things are not the same

In the leaves on the trees and the touch of the breeze There's a pleasin' sense of happiness for me There is only one wish on my mind When this day is through I (7)_____ that I will find That tomorrow will be just the same for you and me All I need will be mine if you are here I'm on the top of the world lookin' down on creation And the only explanation I can find Is the (8)_____ (9)___ _____ I've found ever since you've been around Your love's put me at the top of the world I'm on the top of the world lookin' down on creation And the only explanation I can find Is the love that I've found ever since you've been around Your love's put me at the top of the world
