That they're gonna throw it (1) to you	I don't believe that anybody feels the way I do
By now you should've somehow	About you now
Realized what you gotta do	'Cos all the roads we have to walk are winding
I don't believe that anybody	And all the lights (6) light the way are blinding
Feels the way I do (2) you now	There are many (7) that I would like to say to
Backbeat the word was on the street	you
That the fire in your heart is out	I don't know how
I'm sure you've heard it all before	(I (8) I don't know how)

About you now	And after all
And all the roads we have to walk along are winding	You're my wonderwall
And all the lights that lead us there are blinding	Maybe
There are many (4) (5) I would like	You're gonna be the one who saves me
to say to you	And after an

And after all	You're gonna be the one that saves me
