

By now you should've somehow

## Fill in the gaps

Today is (1) be the day	Realized what you're not to do
That they're gonna throw it back to you	I don't believe that anybody (14) the way I do
By now you should've somehow	About you now
Realized what you (2) do	'Cos all the roads we have to walk are winding
I don't believe (3) anybody	And all the lights that light the way are blinding
Feels the way I do about you now	There are (15) (16) that I would
Backbeat the word was on the street	like to say to you
That the fire in (4) heart is out	I don't know how
I'm sure you've heard it all before	(I said I don't know how)
But you never (5) had a doubt	Maybe
I don't (6) (7) anybody feels the	You're gonna be the one who saves me
way I do	And (17) all
About you now	You're my wonderwall
And all the roads we have to (8) along are winding	Maybe
And all the lights that (9) us there are blinding	You're (18) be the one who saves me
There are (10) things that I (11) like	And after an
to say to you	You're my wonderwall
I don't (12) how	And I said maybe
Maybe	You're (19) be the one that saves me
You're gonna be the one who (13) me	You're (20) be the one (21)
And after all	(22) me
You're my wonderwall	You're gonna be the one that (23) me
Today was gonna be the day	
But they'll never throw it back to you
