loday is gonna be the day	Realized what you're not to do
That they're gonna throw it back to you	I don't believe that anybody feels the way I do
By now you should've somehow	About you now
Realized what you gotta do	Cos all the (5) we have to walk are winding
I don't (1) that anybody	And all the lights that light the way are blinding
Feels the way I do about you now	There are many things that I would like to say to you
Backbeat the word was on the street	I don't know how
That the fire in your heart is out	(I said I don't know how)
I'm sure you've heard it all before	Maybe
But you never really had a doubt	You're gonna be the one who saves me
I don't believe that anybody feels the way I do	And after all
About you now	You're my wonderwall
And all the roads we have to walk along are winding	Maybe
And all the lights (2) lead us there are blinding	You're gonna be the one who saves me
There are many things that I (3) like to say to	And (6) an
you	You're my wonderwall
I don't know how	And I said maybe
Maybe	You're (7) be the one (8)
You're gonna be the one who saves me	(9) me
And (4) all	You're gonna be the one that saves me
You're my wonderwall	You're gonna be the one that saves me
Today was gonna be the day	
But they'll never throw it back to you	
By now you should've somehow
