

# Fill in the gaps

Not Alfald by Ellillelli
(I'm not afraid yeah, to take a stand)
It's been a ride
(Everybody)
I guess I had to (come take my hand)
Go to that place
To get to this one (we'll walk this road together)
Now some of you (through the storm)
Might still be in that place (whatever weather, cold or warm)
If you're trying to get out (just letting you know that)
(You're not alone)
Just follow me
(Holla if you feel that you've been down the same road)
I'll get you there
You can try and read my lyrics off of this paper
Before I lay them
But you won't take the sting out these words
Before I say them
Cause ain't no way
I'ma let you stop me from causing mayhem
When I say them or do something I do it
I don't give a damn what you think
I'm doing this for me, so fuck the world
Feed it beans, it's gassed up if it thinks it's stopping me
I'ma be what I set out to be without a doubt undoubtedly
And all those who look down on me
I'm tearing down your balcony
No if ands or buts don't try to ask him why or how can he
From Infinite down to the last Relapse album

He's still shitting whether he's on salary, paid hourly

### Fill in the gaps

Until he bows out or he shits his bowels out of him Whichever comes first, for better or worse He's married to the game, like a fuck you for Christmas His gift is a curse, forget the earth he's got the urge To pull his dick from the (1)\_\_\_\_\_ and fuck the whole universe I'm not afraid... (I'm not afraid) To take a stand... (to take a stand) Everybody... (everybody) Come (2)\_\_\_\_\_ my hand... (come take my hand) We'll walk this road together, (3)\_\_\_\_\_ the storm Whatever weather, cold or warm Just letting you know that, you're not alone Holla if you feel that (you've been down the same road) Ok, quit playing with the scissors and shit and cut the crap I shouldn't have to rhyme these words In the rhythm for you to know it's a rap You said you was king, you lied (4)\_\_\_\_\_ your teeth For (5)\_\_\_\_\_ fuck your feelings Instead of getting crowned, you're getting capped And to the fans, I'll never let you down again, I'm back I promise to never go back on that promise In fact, let's be honest, that last Relapse CD was ("ehhhh") Perhaps I ran them accents into the ground Relax, I ain't going back to that now All I'm tryna say is get back, (click-clack blaow!) Cause I ain't playing around There's a game called circle and I don't know how I'm way too up to back down But I think I'm still tryna figure this crap out

Thought I had it mapped out but I guess I didn't

#### These fucking black clouds still follows me around

But it's time to exercise these demons

These motherfuckers are doing jumping jacks now!

I'm not afraid... (I'm not afraid)

To take a stand... (to take a stand)

Everybody... (everybody)

Come take my hand... (come take my hand)

We'll walk this road together, through the storm

Whatever weather, cold or warm

Just letting you know that, you're not alone

Holla if you feel that you've been down the same road

And I just can't keep living this way

So starting today, I'm breaking out of this cage

I'm standing up, I'ma face my demons

I'm manning up, I'ma hold my ground

I've had enough, now I'm so fed up

Time to put my life back together right now

It was my decision to get clean, I did it for me

Admittedly I probably did it subliminally for you

So I could come back a brand new me

You helped see me through

And don't even realise what you did, believe me you

I been through the ringer

But they can do (6)\_\_\_\_\_ to the middle finger

I think I got a tear in my eye

I feel like the king of my world

Haters can make like bees with no stingers

And drop dead, no more beef flingers

No more drama from now on, I'm gonna promise

To focus solely on handling my responsibilities as a father
