

(I'm not afraid yeah, to take a stand)
It's been a ride
(Everybody)
I guess I had to (come take my hand)
Go to that place
To get to this one (we'll walk (1) (2) together)
Now some of you (through the storm)
Might still be in that place (whatever weather, cold or warm)
If (3) trying to get out (just letting you know that)
(You're not alone)
Just follow me
(Holla if you feel that you've been down the same road)
I'll get you there
You can try and read my lyrics off of this paper
Before I lay them
But you won't take the sting out (4) words
Before I say them
Cause ain't no way
I'ma let you stop me from causing mayhem
When I say them or do something I do it
I don't give a damn what you think
I'm (5) this for me, so fuck the world
Feed it beans, it's gassed up if it thinks it's stopping me
I'ma be what I set out to be without a doubt undoubtedly
And all those who look down on me
I'm (6) down your balcony
No if ands or buts don't try to ask him why or how can he
From Infinite (7) to the last (8) album
He's still shitting whether he's on salary, paid hourly

Whichever comes first, for better or worse He's married to the game, like a (9)\_\_\_\_\_ you for Christmas His gift is a curse, forget the earth he's got the urge To pull his dick from the dirt and fuck the whole universe I'm not afraid... (I'm not afraid) To (10)\_\_\_\_\_ a stand... (to take a stand) Everybody... (everybody) Come take my hand... (come take my hand) We'll walk this road together, through the storm Whatever weather, cold or warm Just letting you know that, you're not alone Holla if you feel that (you've been down the same road) Ok, quit playing with the scissors and shit and cut the crap I shouldn't have to rhyme these words In the rhythm for you to know it's a rap You said you was king, you (11)\_\_\_\_\_ through your teeth For that fuck your feelings Instead of getting crowned, you're (12)\_\_\_\_\_ capped And to the fans, I'll never let you down again, I'm back I promise to never go back on that promise In fact, let's be honest, that last (13)\_\_\_\_\_ CD was ("ehhhh") Perhaps I ran them accents into the ground Relax, I ain't going back to that now All I'm tryna say is get back, (click-clack blaow!) Cause I ain't playing around There's a game called circle and I don't know how I'm way too up to back down But I think I'm still (14)\_\_\_\_\_ figure this crap out

Thought I had it mapped out but I guess I didn't

These fucking black clouds still follows me around

But it's (15) to exercise these demo	ons
These (16) a	are doing jumping jacks now!
I'm not afraid (I'm not afraid)	
To take a stand (to take a stand)	
Everybody (everybody)	
Come take my hand (come take my hand)	
We'll walk this road together, through the storr	m
Whatever weather, cold or warm	
Just letting you know that, you're not alone	
Holla if you feel that you've been down the sar	me road
And I just can't keep living (17) way	y
So starting today, I'm breaking out of this cage	)
I'm standing up, I'ma face my demons	
I'm manning up, I'ma hold my ground	
I've had enough, now I'm so fed up	
Time to put my life back together (18)	now
It was my decision to get clean, I did it for me	
Admittedly I probably did it subliminally for you	ı
So I could come back a brand new me	
You helped see me through	
And don't even realise (19) you did	l, believe me you
I been through the ringer	
But they can do little to the middle finger	
I think I got a tear in my eye	
I (20) like the king of my world	
Haters can make like bees with no stingers	
And drop dead, no more beef flingers	
No more drama from now on, I'm gonna promi	ise

To focus solely on handling my responsibilities as a father

This roof like my daughters and (21) it		
You couldn't lift a single shingle lonely		
Cause the way I feel, I'm strong enough to go to the club		
Or the corner pub and (22) the whole (23) counter up		
Cause I'm (24) the bar, I shoot for the moon		
But I'm too busy gazing at stars, I feel amazing and		
I'm not afraid (I'm not afraid)		
To take a stand (to (25) a stand)		
Everybody (everybody)		
Come take my hand (come take my hand)		
We'll (26) this road together, through the storm		
Whatever weather, cold or warm		
Just (27) you know that, you're not alone		

Holla if you feel that you've been down the same road
