

Because of you

Fill in the gaps

Because Of You (Live) by Kelly Clarkson

I will not make the (1) mistakes that you did	I (7) to play on the safe side
I will not let myself (2) my heart so much misery	So I don't get hurt
I will not break the way you did	Because of you
You fell so hard	I find it hard to trust
I've learned the hard way	Not only me, but everyone around me
To never let it get that far	Because of you, I am afraid
Because of you	I watched you die, I heard you cry
I never stray too far from the sidewalk	Every night in your sleep
Because of you	I was so young
I learned to play on the safe side	You should have know better than to lean on me
So I don't get hurt	You never thought of anyone else
Because of you	You just saw your pain
I find it hard to trust	And now I cry in the middle of the night
Not only me, but everyone (3) me	For the (8) damn thing
Because of you, I am afraid	Because of you
I lose my way	I never stray too far (9) the sidewalk
And it's not too long before you (4) it out	Because of you
I cannot cry	I learned to play on the safe side
Because I know that's weakness in your eyes	So I don't get hurt
I'm forced to fake a smile, a laugh	Because of you
Every day of my life	I find it hard to trust, not (10) me
My heart can't possibly break	But everyone around me
When it wasn't even (5) to start with	Because of you
Because of you	I am afraid
I (6) stray too far from the sidewalk
