

So long ago, I don't remember when

## Fill in the gaps

(Hey) (3)\_\_\_\_\_ on try a little

That's when they say I lost my only friend
Well they said she died easy of a broken heart disease
As I listened through the cemetery trees
I seen the sun comin' up at the funeral at dawn
The long broken arm of human law
Now it always seemed such a waste
She always had a pretty face
So I wondered how she hung around this place
(Hey) Come on try a little
Nothing is forever
There's got to be something better than
In the middle
But me and Cinderella
We put it all together
We can drive it home
With one headlight
She said it's cold
It feels like Independence Day
And I can't break away (1) this parade
But there's got to be an opening
Somewhere here in front of me
Through this maze of ugliness and greed
And I seen the sun up ahead
At the county (2) bridge
Sayin' all there's good and nothingness is dead

We'll run until she's out of breath She ran until there's nothin' left

She hit the end, it's just her window ledge

Nothing is forever
There's got to be something better than
In the middle
But me and Cinderella
We put it all together
We can drive it home
With one headlight
Well this place is old
It feels just like a beat up truck
I turn the engine, but the engine doesn't turn
Well it smells of cheap wine and cigarettes
This place is always such a mess
Sometimes I think I'd (4) to watch it burn
I'm so alone, and I feel (5) like somebody else
Man, I ain't changed, but I (6) I ain't the same
But somewhere here in (7) the city walls o
dyin'
Dreams (8) her death it must be killin' me
(Hey, hey, hey) (9) on try a little
Nothing is forever
There's got to be something better than
In the middle
But me and Cinderella
We put it all together
We can drive it home
With one headlight
