Without Me by Eminem
Two trailer park girls go round the outside
Round the outside
Round the outside
Two trailer park girls go round the outside
Round the outside
Round the outside
Guess who's back
Back again
Shady's back
Tell a friend
Guess who's back
I've created a monster
Cuz nobody wants to see Marshall no more
They want Shady, I'm chopped liver
Well if you want Shady, this is what I'll give ya
A little bit of me mixed with some hard liquor
Some vodka that'll jump start my heart quicker
Then a shock when I get shocked
At the hospital by the doctor
When I'm not co-operating
When I'm rocking the (1) while he's operating

Cause I'm back, I'm on the rag and ovu-lating
I (2) that you got a job Ms. Cheney
But your husband's heart problem's complicating
So the FCC won't let me be
Or let me be me, so let me see
They try to shut me down on MTV
But it feels so empty, without me
So, come on and dip, bum on your lips
Jump back, jiggle your hip and wiggle a bit
And get ready, cause this is about to get heavy
I just settled all my lawsuits, **** you Debbie!
Now this looks like a job for me
So everybody, (3) follow me
Cause we need a little, controversy
Cause it feels so empty, without me
I said this looks like a job for me
So everybody, just follow me
Cause we need a little, controversy
Cause it feels so empty, without me
Little Hellions
Kids feelin rebellious
Embarrassed (4) parents still listen to Elvis
They start feeling like prisoners helpless
'Til someone comes along on a mission and yells BITCH!!!
A visionary, vision of scary
Could start a revolution, pollutin the airwaves
A rebel
So just let me revel and bask in the fact
That I got everyone kissin my ass

And it's a disaster, such a catastrophe

For you to see so (5) (6) of my ass
You asked for me?
Well I'm back, na-na-na-na
Fix your bent antenna tune it in and then I'm gonna
Enter in, endin up under your skin like a splinter
The center of attention, back for the winter
I'm interesting, the best thing since wrestling
Infesting in your kid's ears and nesting
Testing, attention please
Feel the tension, soon as someone mentions me
Here's my ten cents, my two cents is free
A nuisance, who sent? You sent for me?
Now this looks like a job for me
So everybody, just follow me
Cause we need a little, controversy
Cause it feels so empty, without me
I said this looks like a job for me
So everybody, just follow me
Cause we need a little, controversy
Cause it feels so empty, without me
A tisk it a task it, I'll go tit for tat with
Anybody who's (7) this shit, that shit
Chris Kirkpatrick, you can get your ass kicked
Worse than them little (8) Bizkit bastards
And Moby? You can get stomped by Obie
You thirty-six year old boy stay un'mo'
You don't know me, you're too old, let go
It's over, nobody listen to technno

Now let's go

Just give me the signal,

I'll be there with a whole list

Full of new insults
I been dope, suspenseful with a pencil
Ever since (9) turned himself into a symbol
But sometimes man it just seems
Everybody only wants to discuss me
So this must mean I'm dis-gus-ting
But it's just me, I'm just obscene
No I'm not the first king of controversy
I am the worst thing since Elvis Presley
To do black (10) so selfishly
And used it to get myself wealthy
(Hey!) There's a concept that works
Twenty million other white rappers emerge
But no matter how many fish in the sea
It'd be so empty, without me
Now this looks like a job for me
So everybody, just follow me
Cause we need a little, controversy
Cause it feels so empty, without me
I said this looks like a job for me
So everybody, just follow me
Cause we need a little, controversy

Cause it feels so empty, without me
