Without Me by Eminem

Fill in the gaps

Two trailer (1) girls go round the outside
Round the outside
Round the outside
Two trailer park girls go round the outside
Round the outside
Round the outside
Guess who's back
Back again
Shady's back
Tell a friend
Guess who's back
I've created a monster
Cuz nobody wants to see Marshall no more
They want Shady, I'm chopped liver
Well if you want Shady, this is what I'll (2) ya
A little bit of me mixed with some hard liquor
Some vodka that'll jump start my heart quicker
Then a shock when I get shocked
At the hospital by the doctor
When I'm not co-operating

When I'm rocking the table while he's operating

Fill in the gaps

Cause I'm back, I'm on the rag and ovu-lating
I (3) you got a job Ms. Cheney
But your husband's heart problem's complicating
So the FCC won't let me be
Or let me be me, so let me see
They try to shut me down on MTV
But it feels so empty, without me
So, (5) on and dip, bum on your lips
Jump back, jiggle your hip and wiggle a bit
And get ready, cause this is about to get heavy
I just settled all my lawsuits, **** you Debbie!
Now this looks like a job for me
So everybody, just follow me
Cause we need a little, controversy
Cause it feels so empty, without me
I said this looks like a job for me
So everybody, just follow me
Cause we need a little, controversy
Cause it feels so empty, (6) me
Little Hellions
Kids feelin rebellious
Embarrassed their parents (7) listen to Elvis
They start feeling like prisoners helpless
'Til someone comes along on a mission and yells BITCH!!!
A visionary, vision of scary
Could start a revolution, pollutin the airwaves
A rebel
So just let me (8) and bask in the fact
That I got everyone kissin my ass

And it's a disaster, such a catastrophe

For you to see so damn much of my ass

You asked for me?

Well I'm back, na-na-na-na

Fix your bent antenna tune it in and then I'm gonna

Enter in, endin up under your skin like a splinter

The center of attention, back for the winter

I'm interesting, the best thing since wrestling

Infesting in your kid's ears and nesting

Testing, attention please

Feel the tension, soon as someone mentions me

Here's my ten cents, my two cents is free

A nuisance, who sent? You sent for me?

Now this looks like a job for me

So everybody, just follow me

Cause we need a little, controversy

Cause it feels so empty, without me

I said this looks like a job for me

So everybody, just follow me

Cause we need a little, controversy

Cause it feels so empty, (9)_____ me

A tisk it a task it, I'll go tit for tat with

Anybody who's talkin this shit, that shit

Chris Kirkpatrick, you can get your ass kicked

Worse than them little Limp Bizkit bastards

And Moby? You can get stomped by Obie

You thirty-six year old boy stay un'mo'

You don't know me, you're too old, let go

It's over, nobody listen to technno

Now let's go

Fill in the gaps

Just give me the signal,

I'll be there with a whole list

Full of new insults

I been dope, suspenseful with a pencil

Ever since Prince turned himself into a symbol

But sometimes man it just seems

Everybody only wants to discuss me

So this must mean I'm dis-gus-ting

But it's just me, I'm just obscene

No I'm not the first king of controversy

I am the worst thing since Elvis Presley

To do black music so selfishly

And used it to get myself wealthy

(Hey!) There's a concept that works

Twenty million other white rappers emerge

But no matter how many fish in the sea

It'd be so empty, without me

Now this looks like a job for me

So everybody, just follow me

Cause we need a little, controversy

Cause it feels so empty, without me

I said this looks like a job for me

So everybody, just (10)_____ me

Cause we need a little, controversy

Cause it feels so empty, without me

Fill in the gaps

Ansv 1. park

- 2. give
- 3. know
- 4. that
- 5. come
- 6. without
- 7. still
- 8. revel
- 9. without
- 10. follow
