Without Me by Eminem

Fill in the gaps

Two trailer park (1)	go round the outside
Round the outside	
Round the outside	
Two trailer park girls go round the	e outside
Round the outside	
Round the outside	
Guess who's back	
Back again	
Shady's back	
Tell a friend	
Guess who's back	
I've created a monster	
Cuz nobody wants to see Marsha	all no more
They want Shady, I'm chopped li	ver
Well if you want Shady, this is wh	nat I'll give ya
A little bit of me mixed with some	hard liquor
Some vodka that'll jump start my	heart quicker
Then a shock when I get shocked	
At the (2) by	y the doctor
When I'm not co-operating	

When I'm rocking the table while he's operating

Fill in the gaps

Cause I'm back, I'm on the rag and ovu-lating

I know that you got a job Ms. Cheney

But your husband's heart problem's complicating

So the FCC won't let me be

Or let me be me, so let me see

They try to shut me down on MTV

But it feels so empty, without me

So, come on and dip, bum on your lips

Jump back, jiggle your hip and wiggle a bit

And get ready, cause this is about to get heavy

I just settled all my lawsuits, **** you Debbie!

Now this looks like a job for me

So everybody, just follow me

Cause we need a little, controversy

Cause it feels so empty, without me

I said this looks like a job for me

So everybody, just follow me

Cause we need a little, controversy

Cause it feels so empty, without me

Little Hellions

Kids feelin rebellious

Embarrassed their parents still listen to Elvis

They start feeling like prisoners helpless

'Til someone comes along on a mission and yells BITCH!!!

A visionary, vision of scary

Could start a revolution, pollutin the airwaves

A rebel

So just let me revel and bask in the fact

That I got everyone kissin my ass

And it's a disaster, such a catastrophe

For you to see so damn much of my ass

You asked for me?

Well I'm back, na-na-na-na

Fix your bent antenna tune it in and then I'm gonna

Enter in, endin up under your skin like a splinter

The center of attention, back for the winter

I'm interesting, the best (3)_____ since wrestling

Infesting in your kid's ears and nesting

Testing, attention please

Feel the tension, soon as someone mentions me

Here's my ten cents, my two cents is free

A nuisance, who sent? You sent for me?

Now this looks like a job for me

So everybody, just follow me

Cause we need a little, controversy

Cause it feels so empty, without me

I said this looks like a job for me

So everybody, just follow me

Cause we need a little, controversy

Cause it feels so empty, without me

A tisk it a task it, I'll go tit for tat with

Anybody who's talkin this shit, that shit

Chris Kirkpatrick, you can get your ass kicked

Worse than them little Limp Bizkit bastards

And Moby? You can get stomped by Obie

You thirty-six (4)_____ old boy stay un'mo'

You don't know me, you're too old, let go

It's over, nobody listen to technno

Now let's go

Fill in the gaps

Just give me the signal,

I'll be (5) a whole list	
Full of new insults	
I been dope, suspenseful with a pencil	
Ever since Prince turned himself into a symbol	
But sometimes man it just seems	
Everybody only wants to discuss me	
So this (7) mean I'm dis-gus-ting	
But it's just me, I'm just obscene	
No I'm not the first king of controversy	
I am the worst thing since Elvis Presley	
To do black music so selfishly	
And used it to get (8) wealthy	
(Hey!) There's a concept that works	
Twenty million other white rappers emerge	
But no matter how (9) fish in the sea	
It'd be so empty, without me	
Now this looks like a job for me	
So everybody, just follow me	
Cause we need a little, controversy	
Cause it feels so empty, without me	
I said this (10) like a job for me	
So everybody, just follow me	
Cause we need a little, controversy	
Cause it feels so empty, without me
