

Hope remains

Fill in the gaps

Yesterday I died, tomorrow's bleeding		And (14) war's not over
Fall into your sunlight		Theres a light
The future's (1)	wide beyond believing	Theres the sun
To know why (2)	dies	Taking all the (15) ones
Losing what was found, a world so hollow		To the place we belong
Suspended in a compromise		And his love (16) conquer
The (3)	of this sound is (4) to	And I've lost who I am
follow		And I can't understand
Somehow sundown		Why my heart is so broken
And (5)	answers	Rejecting your love
ls (6)	all of the questions we call	Without love gone wrong
home		Life less words
Passing the graves of the unknown		Carry on
As reason clouds my eyes, with splendor fading		But I know
Illusions of the sunlight		All I know
And the reflection of a lie will keep me waiting		Is that the (17) beginning
Love (7) for so long		Who I am from the start
This day's ending		Take me home to my heart
Is the proof of time killing all the faith I know		Let me go
Knowing (8)	(9) is all I hold	And I (18) run
And Ive lost who I am		I (19) not be silenced
And I can't understand		All this time (20) in vain
Why my heart is so broken		Wasted years
Rejecting your love		Wasted gain
Without love gone wrong		All is lost
Life less words		Hope remains
Carry on		And this war's not over
But I know		Theres a light
All I know		Theres the sun
Is (10) the ends beginning		Taking all the shattered ones
Who I am from the start		To the place we belong
Take me home to my heart		And his (21) will (22) all
Let me go		Yes his love (23) conquer all
And I (11) run		Yesterday I died, tommorrows bleeding
I (12) not be silenced		Fall (24) your sunlight
All this time (13)	in vain	
Wasted years		
Wasted gain		
All is lost
