I've been (1) you down, down		Anyone of us, say you will forgive me	
Girl I know I've been such a fool		Anyone can fail	
Giving in to temptation		Say you will believe me	
When I should've played it cool		I can't take my heart will break	
The situation got out of hand		'Cause I made a stupid mistake	
I (2) you understand		A (5) mistake	
It can happen to		A stupid mistake	
Anyone of us, anyone you think of		She means nothing to me	
Anyone can fall		Nothing to me	
Anyone can hurt someone they love		I swear every word is true	
Hearts will break		Don't wanna lose you	
Cause I made a stupid mistake		The (6) got out of hand	
It can happen to		I hope you understand	
Anyone of us, say you will forgive me		It can (7) to	
Anyone can fail		Anyone of us, anyone you think of	
Say you will believe me		Anyone can fall	
I can't take my heart (3) break		Anyone can hurt someone they love	
Cause I made a stupid mistake		Hearts will break	
A stupid mistake		'Cause I made a stupid mistake	
She was kind of exciting		It can happen to	
A little crazy I should've known		Anyone of us, say you will (8) ı	m
She must have altered my senses		Anyone can fail	
'Cause I (4)	to walk her home	Say you will (9) me	
The situation got out of hand		I can't take my heart (10) break
