

## Fill in the gaps

### Whenever, Wherever by Shakira

Lucky you were born (1)\_\_\_\_\_ far away so

We could both make fun of distance

Lucky that I love a foreign land for

The lucky fact of your existence

Baby I would climb the Andes solely

To count the freckles on your body

Never (2)\_\_\_\_\_ (3)\_\_\_\_\_ there were only

Ten million ways to love somebody

(Le do lo le lo le... le do lo le lo le...)

Can't you see... I'm at your feet

Whenever, wherever

We're meant to be together

I'll be there and you'll be near

And that's the (4)\_\_\_\_\_ my dear

There over, here under

You'll never have to wonder

We can always play by ear

But that's the deal my dear

Lucky that my lips not only mumble

They spill kisses like a fountain

Lucky (5)\_\_\_\_\_ my breasts are small and humble

So you don't confuse (6)\_\_\_\_\_ with mountains

Lucky I have strong legs like my mother

To run for cover when I need it

And these two eyes that for no other

The day you leave will cry a river

(Le do lo le lo le... le do lo le lo le...)

At your feet... I'm at (7)\_\_\_\_\_ feet

Whenever, wherever

We're meant to be together

I'll be there and you'll be near

And that's the deal my dear

There over, here under

You'll never have to wonder

We can always play by ear

But that's the deal my dear

(Le do lo le lo le... le do lo le lo le...)

Think out loud, say it again

(Le do lo le lo le lo le...)

Tell me one more time

That you'll live

Lost in my eyes

Whenever, wherever

We're meant to be together

I'll be there and you'll be near

And that's the deal my dear

There over, here under

You've got me head over heels

There's nothing left to fear

If you really feel the way I feel

Whenever, wherever

We're meant to be together

I'll be there and you'll be near

And that's the deal my dear

There over, here under

You've got me head (8)\_\_\_\_\_ heels

There's (9)\_\_\_\_\_ left to fear

If you really feel the way I feel

## Fill in the gaps

Answer

1. that
2. could
3. imagine
4. deal
5. that
6. them
7. your
8. over
9. nothing
