Whenever, Wherever by Shakira

Fill in the gaps

Lucky you were born (1) far away so	i ii be there and you ii be near
We could both make fun of distance	And that's the deal my dear
Lucky that I love a foreign land for	There over, here under
The (2) of your existence	You'll never have to wonder
Baby I would climb the Andes solely	We can always play by ear
To count the freckles on your body	But that's the deal my dear
Never could imagine there were only	(Le do lo le lo le le do lo le lo le)
Ten million ways to love somebody	Think out loud, say it again
(Le do lo le lo le le do lo le lo le)	(Le do lo le lo le lo le)
Can't you see I'm at your feet	Tell me one more time
Whenever, wherever	That you'll live
We're meant to be together	Lost in my eyes
I'll be there and you'll be near	Whenever, wherever
And that's the deal my dear	We're meant to be together
There over, here under	I'll be there and you'll be near
You'll never have to wonder	And that's the deal my dear
We can always (4) by ear	There over, here under
But that's the deal my dear	You've got me head over heels
Lucky that my lips not only mumble	There's nothing left to fear
They (5) kisses like a fountain	If you really feel the way I feel
Lucky that my breasts are (6) and humble	Whenever, wherever
So you don't confuse them with mountains	We're meant to be together
Lucky I have strong legs like my mother	I'll be (9) and you'll be near
To run for cover (7) I need it	And that's the deal my dear
And these two eyes that for no other	There over, here under
The day you leave will cry a river	You've got me head over heels
(Le do lo le lo le le do lo le lo le)	There's nothing left to fear
At your feet I'm at (8) feet	If you really (10) the way I feel
Whenever, wherever	
We're meant to be together
