Ben, the two of us need look no more	Now it's "us", now it's "we"
We both found what we (1) (2)	(I (7) to say, "I" and "me")
for	(Now it's "us", now it's "we")
With a friend to call my own	Ben, most (8) would turn you away
I'll (3) be alone	I don't listen to a word (9) say
And you my friend will see	They don't see you as I do
You've got a friend in me	I wish they would try to
(You've got a friend in me)	I'm sure they'd think again
Ben, you're always running (4) and there	If they had a friend (10) Ben
(Here and there)	(A friend)
You feel you're not wanted anywhere (anywhere)	Like Ben
If you ever look behind	(Like Ben)
And don't (5) you find	Like Ben
There's something you should know	
You've got a place to go	
(You've got a place to go)	
I used to say, "I" and "me"
