

## Fill in the gaps

Hold on little girl	
Show me (1) he's done to you	
Stand up (2) girl	
A broken (3) can't be (4) bac	t
When it's through, it's through	
Fate will twist the both of you	
So come on baby come on over	
Let me be the one to show you	
I'm the one who wants to be with you	
Deep (5) I hope you feel it too	
Waited on a line of greens and blues	
Just to be the next to be with you	
Build up your confidence	
So you can be on top for once	
Wake up who cares about	
Little boys that (6) too much	
I've seen it all go down	
Your game of love was all rained out	
So come on baby, come on over	
Let me be the one to hold you	
I'm the one who wants to be with you	
Deep inside I hope you feel it too	

Waited on a line of greens and blues
Just to be the next to be with you
Why be alone
When we can be together baby
You can make my life worthwhile
And I can make you start to smile
When it's through, it's through
Fate will twist the both of you
So come on baby come on over
Let me be the one to show you
I'm the one who wants to be with you
Deep inside I hope you feel it too
Waited on a line of (7) and blues
Just to be the next to be with you
I'm the one who wants to be with you
Deep (8) I hope you feel it too
Waited on a line of greens and blues
Just to be the next to be with you
Just to be the (9) to be with you
(Woo)
