End Of All Hope by Nightwish

Fill in the gaps

It is the end of all hope	It will end with a birth	
To lose the child, the faith	Mandylion without a face	
To end all the innocence	Deathwish (8)	a prayer
To be someone (1) me	End of hope	
This is the birth of all hope	End of love	
To have what I once had	End of time	
This life unforgiven	The rest is silence	
It will end with a birth	Mandylion without a face	
No will to wake for this morn	Deathwish without a prayer	
To see another black rose born	End of hope	
Deathbed is slowly covered with snow	End of love	
Angels, they (2) first but I'm still here	End of time	
Alone as they are (3) near	The rest is silence	
In heaven my (4) will finally be	It is the end of all hope	
sung	To lose the child, the faith	
It is the end of all hope	To end all the innocence	
To lose the child, the faith	To be (9)	(10) me
To end all the innocence	This is the birth of all hope	
To be someone like me	To have what I once had	
Wounded is the deer that leaps highest	It is the end of all hope	
And my wound it cuts so deep	To lose the child, the faith	
Turn off the light and let me (5) the plug	To end all the innocence	
It is the end of all hope	To be someone like me	
To (6) the child, the faith	It is the end of all hope	
To end all the innocence	To lose the child, the faith	
To be someone (7) me	End of all hope	
This is the birth of all hope		
To have what I once had		
This life unforgiven
