## Dead To The World (Live) by Nightwish

All the same, take me away		All the same, take me away	
We're dead to the world		We're dead to the world	
The child gave (1) to the poet's world		Dead, silent, constant	
Gave comfort to the Fallen		Yet (6)	changing
(Heartfelt, lovelorn)		- My favorite view of this world	
Remaining, yet still uninvited		As he died, he will return to die in me again	
Those words scented my soul		Weaving the cloth, giving birth	
(Lonely soul, ocean soul)		To the Century Child	
It's not the monsters under your bed		Who gave his life not for the world but for me	
It is the Man next door		Innocence reborn once more	
That makes you fear, makes you cry		Heaven queen, carry me	
Makes you cry for the child		Away from all pain	
All the wars are fought (2) those lonely men		All the same, take me away	
Unarmed, unscarred		We're dead to the world	
I don't want to die a (3) man		Heaven queen, cover me	
A lonely soul		In all that blue	
(Tell me now what to do)		Little boy, such precious joy	
I studied (4) to lea	arn the music	Is dead to the world	
I (5) the sinful to reg	ain innocence	Heaven queen, carry me	
Heaven queen, cover me		Away (7)	all pain
In all that blue		All the same, take me away	
Little boy, such precious joy		We're (8)	to the world
Is dead to the world		We're dead to the world!	
Heaven queen, carry me			
Away from all pain
