Fill in the gaps

Dead To The World (Live) by Nightwish

All the same, take me away	All the same, (13) me away
We're (1) to the world	We're (14) to the world
The (2) gave thought to the poet's world	Dead, silent, constant
Gave comfort to the Fallen	Yet always changing
(Heartfelt, lovelorn)	- My (15) view of this world
Remaining, yet (3) uninvited	As he died, he will return to die in me again
Those (4) (5) my soul	Weaving the cloth, giving birth
(Lonely soul, ocean soul)	To the Century Child
It's not the (6) (7)	Who gave his (16) not for the world but for me
(8) bed	Innocence reborn (17) more
It is the Man next door	Heaven queen, carry me
That makes you fear, (9) you cry	Away (18) all pain
Makes you cry for the child	All the same, take me away
All the wars are fought among those lonely men	We're dead to the world
Unarmed, unscarred	Heaven queen, (19) me
I don't want to die a scarless man	In all that blue
A lonely soul	Little boy, such (20) joy
(Tell me now what to do)	Is (21) to the world
I studied silence to learn the music	Heaven queen, carry me
I joined the sinful to (10) innocence	Away (22) all pain
Heaven queen, cover me	All the same, take me away
In all that blue	We're dead to the world
Little boy, such (11) joy	We're dead to the world!
Is (12) to the world	
Heaven queen, carry me	
Away from all pain	

1. dead
