## Dead To The World (Live) by Nightwish

## Fill in the gaps

All the same, (1) me away	All the same, take me away
We're (2) to the world	We're dead to the world
The (3) gave thought to the poet's world	Dead, silent, constant
Gave comfort to the Fallen	Yet (7) changing
(Heartfelt, lovelorn)	- My favorite view of this world
Remaining, yet still uninvited	As he died, he will return to die in me again
Those words (4) my soul	Weaving the cloth, giving birth
(Lonely soul, ocean soul)	To the Century Child
It's not the monsters under your bed	Who gave his (8) not for the (9) bu
It is the Man next door	for me
That makes you fear, makes you cry	Innocence reborn once more
Makes you cry for the child	Heaven queen, carry me
All the wars are fought among those lonely men	Away from all pain
Unarmed, unscarred	All the same, take me away
I don't want to die a (5) man	We're dead to the world
A lonely soul	Heaven queen, cover me
(Tell me now what to do)	In all that blue
I studied silence to learn the music	Little boy, such precious joy
I joined the (6) to regain innocence	Is dead to the world
Heaven queen, cover me	Heaven queen, carry me
In all that blue	Away from all pain
Little boy, such precious joy	All the same, (10) me away
Is dead to the world	We're dead to the world
Heaven queen, carry me	We're dead to the world!
Away from all pain
