

## Fill in the gaps

## Dance Of Death (Live) by Iron Maiden

My free spirit was laughing and howling down at me

	Below my undead body
Let me tell you a story to chill the bones	Just (5) the circle of dead
About a thing that I saw	Until the time came to reunite us both
One night wandering in the everglades	My spirit came back down to me
'd one drink but no more	I didn't know if I was alive or dead
was rambling, enjoying the (1) moonlight	As the others all joined in with me
Gazing up at the stars	By luck then a skirmish started
Not aware of a presence so near to me	And took the attention away (6) me
Natching my every move	When they took their gaze from me
Feeling (2) and I fell to my knees	Was the moment that I fled
As something rushed me from the trees	I ran like hell faster than the wind
Took me to an unholy place	But behind I did not glance
And that is where I fell from grace	One thing that I did not dare
Then they summoned me over to join in with them	Was to look just straight ahead
To the dance of the dead	When you know that your time has come around
nto the circle of fire I followed them	You know you'll be prepared for it
nto the middle I was led	Say your last goodbyes to everyone
As if time had stopped still I was numb with fear	Drink and say a prayer for it
But still I wanted to go	When you're lying in your sleep
And the blaze of the fire did no hurt upon me	When you're lying in your bed
As I (3) onto the coals	And you wake (7) your dreams to go dancing with
And I felt I was in a trance	the dead
And my spirit was lifted from me	When you're lying in your sleep
And if only someone had the chance	When you're lying in your bed
To witness what happened to me	And you wake from your dreams to go (8)
And I danced and I pranced and I sang with them	with the dead
All had (4) in their eyes	To this day I guess I'll never know
Lifeless figures they were undead all of them	Just why (9) let me go
They had ascended from hell	But I'll never go dancing no more
As I danced with the dead	'Til I dance with the dead
