## Dance Of Death (Live) by Iron Maiden

	Below my undead body
Let me tell you a story to chill the bones	Just danced the circle of dead
About a thing (1) I saw	Until the time came to reunite us both
One night wandering in the everglades	My spirit came back down to me
I'd one drink but no more	I didn't know if I was alive or dead
I was rambling, enjoying the bright moonlight	As the others all joined in with me
Gazing up at the stars	By luck (14) a skirmish started
Not aware of a presence so near to me	And took the attention (15) from me
Watching my every move	When (16) took their gaze (17) me
Feeling scared and I fell to my knees	Was the moment that I fled
As something rushed me (2) the trees	I ran (18) hell faster than the wind
Took me to an unholy place	But behind I did not glance
And that is (3) I fell from grace	One thing that I did not dare
Then they (4) me over to (5)	Was to look just straight ahead
in with them	When you know that (19) time has come around
To the dance of the dead	You know you'll be prepared for it
Into the circle of fire I followed them	Say your (20) goodbyes to everyone
Into the middle I was led	Drink and say a prayer for it
As if time had stopped (6) I was numb with fear	When you're lying in (21) sleep
But still I wanted to go	When you're lying in your bed
And the blaze of the fire did no (7) upon me	And you wake from your dreams to go dancing with the dead
As I walked onto the coals	When you're lying in your sleep
And I felt I was in a trance	When you're lying in your bed
And my spirit was lifted from me	And you wake from your (22) to go dancing
And if only someone had the chance	with the dead
To witness what happened to me	To this day I guess I'll (23) know
And I danced and I pranced and I sang with them	Just why they let me go
All had death in (8) eyes	But I'll never go (24) no more
Lifeless (9) they (10) undead all	'Til I dance (25) the dead
of them	
They had (11) from hell	
As I danced (12) the dead	
My free spirit was laughing and (13) down
