

Fill in the gaps

No Such Thing (Live) by John Mayer

"Welcome to the (1) world"	Butsomething's better on the other side
She (2) to me, condescendingly	I want to run through the (15) of my
"Take a seat, take your life	(16) school
Plot it out in black and white"	I want to scream at the top of my lungs
(Well) I (3) lived the dreams of the prom kings	I just found out there's no such thing as the real world
And the drama queens	Just a lie you've got to rise above
I'd like to think the best of me	
Is (4) hiding up my sleeve	I am invincible
They (5) to tell you "Stay inside the lines"	I am invincible
But something's better on the (6) side	We are invincible
I want to run through the (7) of my high school	As (17) as we are alive
I want to (8) at the top of my lungs	I want to run through the halls of my high school
I just found out there's no (9) thing as the real	I (18) to scream at the top of my lungs
world	I just (19) out there's no (20) thing as
Just a lie you've got to rise above	the real world
So the good (10) and girls take the so-called right	Just a lie you've got to rise above
track	I just can't wait for my ten (21) reunion
Faded white hats grabbing credits, maybe transfers	I'm gonna (22) (23) the double doors
They read all the books but (11) can't	And when I stand on these tables (24) you
(12) the answers	You will know (25) all (26) time was for
All of our parents, they're (13) older	
I wonder if they've wished for anything better	
While in their memories, (14) tragedies	
They love to tell you "Stay inside the lines"
