Back For Good (Live) by Take That

Fill in the gaps

I guess now it's time You'll be right and understood For me to give up I feel it's time Got a picture of you beside me Got your lipstick mark still on your coffee cup (Oh... yeah) Got a fist of pure emotion Got a head of shattered dreams Gotta leave it, gotta leave it all behind now Whatever I said, (1)___ _____ I did I didn't (2)____ it I just want you back for good (Want you back, (3)_____ you back, want you back for Whenever I'm wrong just tell me the (4)_____ and I'll sing it You'll be right and understood (Want you back, want you back) I want you back for good Unaware but underlined I figured out this story It wasn't good But in the corner of my mind I celebrated glory But that was not to be In the twist of separation you excelled in being free Can't you find a little room inside for me Whatever I said, whatever I did I didn't mean it I just want you back for good

(Want you back, want you back)
I want you back for good

Whenever I'm wrong just tell me the song and I'll sing it

(Want you back, want you back)
want you back for good
And we'll be together
This time is forever
Ne'll be fighting and forever we will be
So complete in our love
We will never be uncovered again
Whatever I said, whatever I did I didn't mean it
just want you back for good
(Want you back, (5) you back)
Oh want you back for good
Whenever I'm wrong just tell me the song and I'll
(6) it
You'll be (7) and understood
(Want you back, want you back)
Oh I want you back for good
Whenever I'm wrong, I'll tell you
want you back
(8) you back
want you back for good
Whenever I'm wrong, I'll tell you
want you back
want you back
want you back for good
(Oh yeah)
guess now it's time you can (9) for good

Fill in the gaps
