Tears Of The Dragon (Live) by Bruce Dickinson

For too long now	The water is moving
There were (1) in my mind	I'm slipping away
For too long now	I throw myself into the sea
There (2) (3) I should have said	Release the wave
In the darkness	Let it (16) over me
I was (4) for the door	To face the fear
To (5) a reason	I once believed
To find the time, the place, the hour	The tears of the dragon
Waiting for the winter sun	For you and for me
And the cold light of day	Slowly I awake
The misty ghost of childhood fears	Slowly I rise
The pressure is building	The walls I (17) are crumbling
And I can't stay away	The water is moving
I throw (6) into the sea	I'm slipping away
Release the wave	I throw (18) into the sea
Let it (7) over me	Release the wave
To (8) the fear	Let it wash (19) me
I once believed	To face the fear
The tears of the dragon	I once believed
For you and for me	The tears of the dragon
Where I was	For you and for me
I had wings that couldn't fly	I (20) myself (21) the sea
Where I was	Release the wave
I had tears I couldn't cry	Let it wash over me
My emotions	To face the fear
Frozen in an icy lake	I once believed
I couldn't (9) them	The tears of the dragon
Until the ice (10) to break	For you and for me
I (11) no (12) (13) this	
You (14) I'm afraid
