

Fill in the gaps

Sitting here wasted and wounded		Flies me back to you	
At this old piano		I'll (4) close my eyes and whisper	
Trying hard to capture the moment		Baby blind love is true	
This morning I don't know		I want to lay you down in a bed of roses	
'Cause a bottle of vodka		For (5) I sleep on a bed of nails	
Is still lodged in my head		I want to be just as close as the Holy Ghost is	
And some blonde gave me nightmares		And lay you down on a bed of roses	
I think that she's still in my bed		Where the hotel bar (6)	whiskey's gone
As I dream about movies		dry	
They won't make of me when I'm dead		The barkeeper's wig's crooked	
With an ironclad fist I wake up		And she's giving me the eye	
And French kiss the morning		I might have said yeah	
While some marching band keeps		But I laughed so hard I think I died	
Its own beat in my head		Now as you close your eyes	
While we're talking		Know I'll be thinking about you	
About all of the things that I (1) to believe		While my mistress she calls me	
About love and the truth		To stand in her (7)	again
And what you (2) to me		Tonight I won't be alone	
And the truth is		But you know that don't	
Baby you're all that I need		Mean I'm not lonely	
I want to lay you down in a bed of roses		I've got nothing to prove	
For tonight I sleep on a bed of nails		It's for you (8) I'd die to defend	
I want to be just as close as the Holy (3)	is	I want to lay you down in a bed of roses	
And lay you down on a bed of roses		For tonight I sleep on a bed of nails	
Well I'm so far away		I want to be just as close as the (9)	
That each step that I take is on my way home		(10) is	
A king's ransom in dimes		And lay you down	
I'd given each night		I want to lay you down in a bed of roses	
Just to see through this payphone		For tonight I sleep on a bed of nails	
Still I run out of time		I want to be just as close as the Holy Ghost is	
Or it's hard to get through		And lay you down in a bed of roses	
Till the bird on the wire			

- 1. long
