

## Fill in the gaps

Is there something I don't know?			Boy you led me to believe		
Are (1)	secrets you (2)	show?	We would stand the test of time		
Even after all (3)	time		You (15)	(16)	_ be forever mine
You (4) on me		Just give me your key (17)		you leave	
Pretend we're fine			Every (18) moment I was there for you		
You know I (5) stand you anymore			All you (19) did was be untrue		
Every single moment I was there for you			(Oops) You're gone		
All you (6) did was be untrue			Just play your games with (20) else		
(Oops) (7)	gone		I'm done		
Just (8) y	our (9) with someon	ie else	With you and (2	1) lies	
I'm done			You're so wrong		
With you and your lies			To (22) me cry		
You're so wrong			This is the last goodbye		
To (10) n	ne cry		(Oops) You're go	one	
This is the last goodbye			Just (23)	your (24)	with someone
(Oops) You're gone			else		
Just (11) (12) (13) with			I'm done		
someone else			With you and your lies		
I'm done			You're so wrong		
With you and (14) lies			To make me cry		
You're so wrong			This is the last goodbye		
To make me cry					
This is the last good	bye				
I was young and so	naive				

## 1. there
