For the times that I (3) you cry	That I can carry the burden of pain
For the times that I told you lies	'Cause it ain't the first time
For the times that I watched and let you stumble	That a man goes insane
t's too bad, but that's me	And when I spread my wings
What goes around comes around, you'll see	To embrace him for life
That I can carry the burden of pain	I'm sucking out his love
Cause it ain't the first time	I'll never be nobody's wife yeah
That a man goes insane	It's too bad, but that's me

You're like a stone hangin' around my neck, see	I'll never be nobody's wife yeah
