Talk You Down by The Script

Fill in the gaps

I can feel the colour running
As it's fading from my face
Try to speak but nothing's coming
Nothing I (1) say to make you stay
Grab your suitcase call a taxi
It's 3am now where you gonna go?
Gonna stay (2) friends in London
And that's all I get to know
Just a ciggarette gone
No you couldn't be that far
I'm (3) my car to where I hope you ar
Maybe I can talk you down
Maybe I can talk you down
we're (4) on a tiny ledge
before this goes (5) the edge
Gonna use my heart and not my head
And try to open up your eyes
This is a relationship suicide
Cos if you go, I go
Cos if you go, I go
Taking shortcuts (6) the alleys
While you're racing through my mind
Cops can chase but they won't catch me
Not before I get to speak my mind
If there's (7) time Oh
we're (8) on a tiny ledge
before this goes (9) the edge
Gonna use my heart and not my head
