

Fill in the gaps

I don't (1) (2) I'm doing here	You know it
How I landed in (3) space	Don't make it wait
But it's a good place	These are words I wanna say
And I don't (4) mess it up	Every (13) of (14) day
Make mistakes or say too much	These are (15) that say how good it feels
'Cause it's a (5) place	To be here with you today
You find it	I hope it's not too late
You hold it	'Cause I don't wanna (16) another summer
You (6) its grace	I don't wanna wait until I fall
These are words I wanna say	I could be a memory tomorrow
Every hour of every day	I could be nothing at all
These are words (7) say how good it feels	I don't (17) what I'm doing here
To be here (8) you today	How I landed in (18) space
I hope it's not too late (I (9) it's not too late)	But it's a (19) place
I hope it's not too late	These are (20) I wanna say
I've been silent up to now	Every hour of every day
I've been going (10) the flow	These are words that say how (21) it feels
Wherever that goes	To be here with you today
But something's (11) down inside	I (22) it's not too late
Makes me want to close my eyes	Oh, yeah
And (12) the echo	I hope it's not too late
You find it
