

To make us proud

## Fill in the gaps

## Perfect (Acoustic Version) by Alanis Morissette

Sometimes is (1) (2)_	enough	I'll live through you	
If you're flawless, then you'll win my love		I'll make you what I never was	
Don't (3) to win first place		If you're the best, then maybe so am I	
Don't forget to keep that smile on your face		Compared to him compared to her	
Be a good boy		I'm doing this for your own damn good	
Try a little harder		You'll (9) up f	or what I blew
You've got to (4) up		What's the problemwhy are you crying	
And make me prouder		Be a good boy	
How long before you (5)	_ it up	Push a little farther now	
How (6) (7)	_ do I have to tell you to	That wasn't (10)	enough
hurry up		To make us happy	
With everything I do for you		We'll love you just the way you are	
The (8) you can do is keep quiet		If you're perfect	
Be a good girl			
You've gotta try a little harder			
That simply wasn't good enough
