Fill in the gaps

Stillness Is The Move by Dirty Projectors

When the child was just a child	I can't (6) anything better
It did not know what it was	After all that we've (7) through
Like a child it had no habits	I know we'll make it after the wait
No opinion about anything	The question is a truth
Maybe I will get a job	There is nothing we can't do
Get a job as a waitress	I'll see you along the way baby
Maybe (1) tables in a diner	Isn't life under the sun just a crazy, crazy, crazy dream?
In some remote city down the highway	Isn't life just a mirage of the world before the world
After all (2) we've been through	Before the world?
I know we'll make it after the wait	Why am I here and not over, over, over there?
The question is a truth	Where did time begin
There is nothing we can't do	Where (8) space end
I'll see you (3) the way baby	Where do you and I where you and I begin?
The stillness is the move	After all that we've been through
On top of every mountain	I know we'll make it after the wait
There was a great longing	The question is a truth
For another even higher mountain	There is nothing we can't do
In each city longing for a bigger city	I'll see you along the way baby
After all that we've been through	The stillness is the move
I know that I will always (4) you	
From now (5) forever baby
