

Fill in the gaps

You get nign	A pleasure that's for the talking
With your destructive instinct	You're trying it more
You get high	But you won't get satisfaction
With your corrosive instinct	Cause you presume
Where can I go	The winner is you but that's not true
To escape (1) foul mind tricks	So say just words to me
You're trying it more	Unreal what your hate's providing
But you will (2) break me	Say just words to me
Cause you presume	Your talk is always contradiction
The winner is you but that's not true	Say (7) words to me
So say just words to me	You won't feel the warmth of friends (8) yo
Unreal what your hate's providing	Say just words to me
Say just words to me	Is it true that there is worth inside
Your talk is always contradiction	So say just words to me
Say just (3) to me	Unreal what your hate's providing
You won't feel the warmth of friends around you	Say just words to me
Say just words to me	Your talk is always contradiction
Is it true that there is (4) inside	Say just words to me
So say just words to me	You won't feel the warmth of friends around you
Your desires	Say (9) words to me
All the worse from power craving	Is it true that there is worth inside
Your desires	So say just words to me
Only (5) there's fire burning	
I'll (6) you the way
