

I swore that I'd never let you back in

Fill in the gaps

Here We Go Again by Demi Lovato

| I throw all of your stuff away | Should have (6) better |
|--|---|
| Then I clear you out of my head | In trying to let you go |
| I (1) you out of my heart | Cause here we go go go again |
| And ignore all your messages | Hard as I try I know I can't quit |
| I tell everyone we are through | Something about you is so addictive |
| Cause I'm so much (2) without you | We're (7) together |
| But it's just another pretty lie | You'd think that by now I'd know |
| Cause I break down | Cause here we go go go again |
| Every time you come around | And again, and again, and again, and again, and again |
| So how did you get (3) under my skin? | I (8) all of your stuff away |
| I swore (4) I'd never let you back in | And I (9) you out of my head |
| Should have known better | And I tore you out of my heart |
| In trying to let you go | So how did you get here under my skin? |
| Cause here we go go go again | I swore that I'd never let you back in |
| Hard as I try I know I can't quit | Should have known better |
| Something about you is so addictive | In trying to let you go |
| We're falling together | Cause here we go go go again |
| You'd think that by now I'd know | Hard as I try I (10) I can't quit |
| Cause here we go go go again | Something about you is so addictive |
| You never (5) what you want | We're falling together |
| And you never say what you mean | You'd think that by now I'd know |
| But I start to go insane | Cause here we go go here we go again |
| Every time that you look at me | Here we go again |
| You only hear half of what I say | Should have known better |
| And you're always showing up too late | In trying to let you go |
| And I know that I should say goodbye | Cause here we go go go again |
| But it's no use | |
| Can't be with or without you | |
| So how did you get here under my skin? | |

- 1. tear
- 2. better
- 3. here
- 4. that
- 5. know
- 6. known
- 7. falling
- 8. threw
- 9. cleared
- 10. know
