

Fill in the gaps

Cutting (1) and magazines		I don't think so		
And (2) you'll (3)	need	Last night I woke up cold		
The mirrors in you room at night		And I (14)	(15)	out into the dark
And (4) that (5) fold	I	And 800 (16)	why (17)	flying
You're sorry (6) it (7)	more	into my eyes		
But who would ever tell		Wish I could say (18)	I (19)	'em
I know you need to stay above		dead		
But I swore		But they're (20)	much bigger than	I
I swore		It's all over (21)	eyes	
I swore		There's (22)	you can do)
It's all over (8) eyes		I'm (23) ou	ut my skin tonight	
There's nothning you can do		So (24) me if yo	ou're ready or no	
I'm coming out my skin tonight		I'm tired of (25)	out a lie	
So (9) me if you're (10)	or no	Sitting here watching (26)	(2	27)
I'm (11) of living out a lie		by me		
Sitting here watching things (12)	_ by me	And maybe maybe		
And (13) maybe		You're gonna save me		
You're gonna save me		Maybe maybe		
Maybe maybe		But I don't know		
But I don't know		I don't think so
