

## Fill in the gaps

| Cutting belts and magazines               |
|---|
| And (1) you'll never need                 |
| The (2) in you room at nigh               |
| And skies that never fold                 |
| You're sorry that it matters more         |
| But who would ever tell                   |
| I know you need to stay above             |
| But I swore                               |
| I swore                                   |
| I swore                                   |
| It's all over your eyes                   |
| There's nothning you can do               |
| I'm (3) out my skin tonight               |
| So tell me if you're ready or no          |
| I'm tired of living out a lie             |
| Sitting here watching things flying by me |
| And maybe maybe                           |
| You're gonna (4) me                       |
| Maybe maybe                               |
| But I don't know                          |

| I don't think so                          |
|---|
| Last night I (5) up cold                  |
| And I walked right out into the dark      |
| And 800 (6) why kept flying (7)           |
| my eyes                                   |
| Wish I could say that I killed 'em dead   |
| But they're just much bigger than I       |
| It's all (8) your eyes                    |
| There's nothning you can do               |
| I'm coming out my skin tonight            |
| So tell me if you're ready or no          |
| I'm tired of living out a lie             |
| Sitting here watching things flying by me |
| And maybe maybe                           |
| You're gonna save me                      |
| Maybe maybe                               |
| But I don't know                          |
| I don't think so                          |
