

Fill in the gaps

In the car, I just can't wait
To pick you up on our (1) first date
Is it cool if I hold your hand?
Is it wrong if I think its lame to dance?
Do you (2) my stupid hair?
Would you guess that I didn't know what to wear?
I'm just scared of (3) you think
You make me nervous so I (4) can't eat
Let's go, don't wait, this night almost over
Honest, lets make, (5) night last forever
Forever and ever, let's make this last forever
Forever and ever, let's make this last forever
When you smile, I melt inside
I'm not worthy for a minute of your time
I really wish it was only me and you
I'm jealous of everybody in the room
Please don't look at me (6) eyes

Please don't hint that you're capable of lies	
I dread a thought of our (8) (9)	kiss
A target that I probably gonna miss	
Let's go, don't wait, this night almost over	
Honest, lets make, this night last forever	
Forever and ever, let's make this last forever	
Forever and ever, let's make this (10) for	orever
Let's go, don't wait, this night almost over	
Honest, lets make, this night last forever	
Forever and ever, let's make this last forever	
Forever and ever, let's make this last forever	
Forever, and ever	
Lets make this last forever	
Forever, and ever	
Lets make this last forever
