

Fill in the gaps

Don't (1) this ground	So fragile on the inside
With the color of the past	You climb these grapevines
Are the (2) in bloom with you	Would you (8) now
Cause you seem like	Unto this pit of me on the ground
An orchard of mines	And you wander through these
Just take one step at a time	To climb these grapevines
And you seem	To know
To break like time	To feel
So (3) on the inside	To play me once again
You climb these grapevines	Do you denote from (9) we fee
Would you look now	Do you not know
Unto this pit of me on the ground	I see you play the game
And you wander through these	Do you denote
To climb these grapevines	(La fiamma riposa, L'ombra dispare)
Vines	(La voce immortale mormora)
I say it to be proud	To know
Won't (4) my (5) turn upside down	To feel
Says the man with some	To play me once again
With some gold forged plan	Do you denote
Of life so incomplete	Do you not know
Like weights strapped (6) my feet	I see you play the game
Tread careful one step at a time	Denote
And you seem	
To break (7) time
