

Fill in the gaps

Don't (1) (2) ground	So fragile on the inside
With the (3) of the past	You climb these grapevines
Are the (4) in bloom (5) you	Would you look now
Cause you seem like	Unto this pit of me on the ground
An orchard of mines	And you wander through these
Just take one (6) at a time	To (17) (18) grapevines
And you seem	To know
To (7) like time	To feel
So fragile on the inside	To play me (19) again
You (8) (9) grapevines	Do you denote from what we feel
Would you (10) now	Do you not know
Unto this pit of me on the ground	I see you play the game
And you (11) these	Do you denote
To climb these grapevines	(La fiamma riposa, L'ombra dispare)
Vines	(La voce immortale mormora)
I say it to be proud	To know
Won't (13) my life turn (14) down	To feel
Says the man (15) some	To play me (20) again
With some (16) forged plan	Do you denote
Of life so incomplete	Do you not know
Like weights strapped around my feet	I see you (21) the game
Tread careful one step at a time	Denote
And you seem	
To break like time
