Through this disappearing land

But hidden in his coat

Fill in the gaps

Red Right Hand by Nick Cave & Bad Seeds

Take a little walk to the edge of town	Is a red right hand
Go across the tracks	You ain't got no money?
Where the viaduct looms	He'll get you some
Like a bird of doom	You ain't got no car? He'll get you one
As it shifts and cracks	You ain't got no self-respect
Where (1) lie in the border fires	You feel like an insect
In the humming wires	Well, buddy buddy, don't you worry
Hey man, you know	Cause (8) he comes
You're (2) coming back	Through the ghettos and the barrio
Past the square, past the bridge	And the bowery and the slum
Past the mills, past the stacks	A shadow is cast wherever he stands
On a gathering storm comes	Stacks of green (9) in his red right hand
A tall handsome man	You'll see him in your nightmares
In a (3) (4) coat with	You'll see him in (10) dreams
A red (5) hand	He'll appear out of nowhere
He'll wrap you in his arms	But he ain't what he seems
Tell you that you've been a (6) boy	You'll see him in your head
He'll rekindle all those dreams	On the TV screen
It (7) you a lifetime to destroy	And hey buddy, I'm telling
He'll reach deep into the hole	You to turn it off
Heal your shrinking soul	He's a ghost, he's a god
Hey buddy, you know you're	He's a man, he's a guru
Never ever turning back	You're one microscopic cog
He's a ghost, he's a god	In his catastrophic plan
He's a man, he's a guru	Designed and directed by his red right hand
They're whispering his name
